What we have done for ourselves alone dies with us, what we have done for others and the world remains and is immortal

Albert Pike

chairman word

I wanted to share something that's been on my mind lately. For the longest time, I was living in a little box that I'd built for myself, never venturing outside of my comfort zone or exploring all the amazing opportunities that the world had to offer. But one day, I decided to take a chance and leave that box behind. I discovered a whole new world of possibilities and learned so much about myself in the process. And now, I want to invite you to join me on this exciting journey of exploration and self-discovery. That's why, I Mohamed yasser bdioui the Chairman of Sight IEEE ISIMM SB announce the launch of the SIGHT EXCOM application.
